Perks of being a wallflower critic reviews

Teenagers can sometimes feel lost or irrelevant, but when they find their feet and are able to draw on their authentic sés, they can feel (for the film) "infinite". For the novel not started, Stephen Chbosky is the novel of the advantages of being a WallFlower, published by MTV Books in 1999, is committed to all my heart in the adolescent impulse towards the pretentioniosity. Answer regularly with the catcher in the rye, the book has as its central theme the struggle to understand the terrible things that inevitably happen to those we love and for ourselves. The narration takes place through a series of letters written by Á ç á,~ Á "Charlie", addressed to you, to the reader, and details its year of freshly painful and joyous freshman. (He won't know you personally, but hopes that You will understand, because he listened to good things about you.) Missyly, writer-director Chbosky uses this framing device only for his big screen adaptation, preferring the presentation of the upper hand "Never see Charlie (Logan Lerman) talking directly At camera or thoughtfully peck a computer keyboard. In fact, the film is conspicuously devoid of technological markers. While the letters of the book of 1991, the film takes place sometimes just before the end of the last century, before mobile phones and social media monopolized adolescent communication. For those who were born in front of the 90s, this absence will make the History Poignant and strange, since he emphasizes the incredible generational gap that a quantity of time is opened so shortly. Those that Weren is not á á á á «!E., The planned audience for the film-will probably find so almost nostalgic as when Charlie receives a typewriter and LPS from his friends for Christmas. As Charlie's friendships evolve into unpublished novels and then again in friendships, only more pure than before, provides the spine of a novel and movie. However, the most shocking aspects of the original texture have been gone into different aspects, perhaps making it more Á ç á,~ Á "believableÁ ç á,~ but reducing its emotional impact. Saving the best parts of adolescent life with its new junk (seniors who are in blacksmiths and perform together with the rocky show of their cinema cinema), Charlie still remains emotionally muffled, and eventually undergoing a nervous break as they Turn to leave for college. In the film, this stress is aggravated by the trauma to lose his aunt Helen, who was abused by her husband and dies in a car accident on Christmas Eve; In the book, it is only after you suffer a nervous failure that Charlie recovers the repressed memories of Aunt Helen that the harassment. The film also welcome a rape and a journey to the clinic of abortion, supporting the long Hollywood tradition to get away from depicting the latter. Yet the adaptation does not avoid the other elements that have held the advantages at the top of the list of associations of the American library of prohibited books and challenged for over a decade - homosexuality, drugs, comments that face religious belief and adolescent sex. These Á ç á,~ Á "Disputes" are transmitted competently but insignificant; the short sentences and stubbed of the prose of Charlie and its apartment, easily projected, at the time of the shake still work on the screen, but these Aren are formally integrated . Despite having a background in the cinema, ChBosky seems more skilled as a novelist than a visual narrator. However, the core of Charlie's social group, Sam "Sam (Emma Watson) and Patrick (Ezra Miller), the semi-balls who experience romantic feelings of Various degrees for Charlie at different points - they are vibrant and attractive as they were on the page, both in terms of two actors, performances and how they work in the fiction. Like real teenagers, And Miller move convincingly from incandescent objects of the desire for comical relief to deeply disturbed human beings. To improve and worse, the advantages will make you feel like a teenager again. EIAÁemÁArVe seinÁÁrususuna. SEINÁÁrrususuna. 91 Playlist Kevin Jagemauth touching and bent with energy, enthusiasm and tides of love and adolescent life, the "Perks" could very well be the next classic of the genre. 80 Bookoffice Magazine Pete Hammond The advantages of being a WallFlower is a sweet surprise, a funny, touching and very wonderful film that best gets good about the joys and cracks of growth of growing around 1991. 80 New York Magazine (Vulture) David Edelstein This is the feeling that Stephen Chbosky captures in the advantages of being a WallFlower, his exquisite adaptation of his new Ya novel sold on a freshwater school of Pittsburgh high school that does not fit and then suddenly ago, for a spell . 60 Variety Rob Nelson's first-time writer-director-director Stephen Chbosky suits her young adult bestseller with a lot more passion of the ability, which fits familiar scenes of adolescent embarrassment quite palatable. 50 Hollywood journalist a grasp but rather generic sgamedy. 50 Time Richard Cortliss Watson makes a soft registration from England Harry Potter Potter for Thrifty Potter for Thrifty of this movie, Pittsburgh shot. 50 Village Voice Chbosky plays this cw serial stuff for maximum seriousness for maximum seriousness, emphasizing the adolescent trend to assume that every new thing they feel unprecedented in human history, keeping the tone only from humid eyes. 40 The Guardian Henry Barnes The advantages of being a WallFlower is a perfect fit for her target audience - Harry Potter children who are following Emma Watson through her child walking towards the strongest things. 40 Time Out David Temida You can hear the blood of Chbosky, sweat and tears that transmit from this highly personal project, but that most holy fluid trinity is not enough to wash away the way you saw it before - many, many , many times. 25 Inclination warehouse A piece of pop martyrdom, made in some way revolting, made for and isolated to the damaged middle class. Read all 36 reviews on Metacritic.com Sometimes an inexperienced director can use a hand that helps the cast. This is exactly what Stephen Chbosky has arrived from Logan Lerman, Ezra Miller and Emma Watson in the adaptation of his famous adult juvenile novel "The advantages of being a WallFlower: Back in the director's chair only the second time, the director, Like his main character, it is a bit unstable standing. But thanks to his stars, the film is Á ç á,~ "like the book - it is an elegantly observed studio of an annual chest for the first year of teenager in Liceo.chBosky held a lot of the central narrative device of his novel Á ç á,~ "" letters written by a depressed serial number of Charlie (Lerman) to an anonymous sympathetic to someone "while you find ways to get the teenage world out. Although some things get lost in translation, there are virtues of compensation: dialogue is full of nifty literary references, a more intelligent nod to "the rocky image horror show" is a great fun, and the emotional roller coasts beyond . A comfortable Suburb Pittsburgh in 1991, the film leaves us quickly in the last days in Charlie, who solidify only the fears of him than at the high school at least he will be forever a fringe player without friendship. It is very intelligent and sensitive, so it happened against him. The best friend of him, Michael, suicide the year before. His second best friend, Susan (Julia Garner), which was Michael's girlfriend, joined the crowd Á ç á,~ ", which decidedly does not include Charlie.his luck starts to change when scrubs a football match alone And it makes a point to come across Patrick (Miller), the eccentric srail senior in his class. This brings an introduction to the Clexister of Sam (Emma Watson in his best post- "Harry Potter, runs yet) and the idea of a lifetime beyond the Loser-Dom begins to take shape. Dai the film excavates in the major theme, which is the messy business of Understand who you are. There are lateral problems of sexuality Á ç á,~ "straight and gay - and friendship. But the driver driving the movie is storia personale. Chbosky holds il suo tempo che fasten in gira quel particolare trauma. Il viaggio ci sarebbe probably dimostrato troppo sad se non per Patrick and Sam. "Più un osservatore di un partecipante di vita, Patrick and Sam si butta in ogni esperienza. Ora stanno trascinando Charlie lungo per il gira - e si, inizia letteralmente con un gira. It is dopo che la prima partita di calcio e Patrick corrono il ritiro attraverso un tunnel mentre Sam si trova nel letto del camion, le braccia distese, urlando di gioia. Anche Charlie, ma non riesce a riportarsi ancora a lasciar andare ancora. Questa lotta tra la moderazione e la libertà è ben rispecchiata dall'aspetto del film (á ç çCrazy, stupido, amore "cinematograph Andrew Dunn) á ç "Colpi stretti when le cose crescono intime, taking indietro ogni volta che i bambini si ritirano emotively, nel mezzo del chaos de parrit chbosky si fida del suo pubblico per capire il sottotesto dei momenti senza lanciare molto di spiegazioni inutili. Ciò richiede un livello più sfumato di recitazione e il cast principale è molto abile nel tiralo fuori. Lerman dà Charlie l'aspetto di un giovane puledro che cercava ancora di arrestre le gambe, l'imbarazzo mai sovraccaricato. Watson sembra assaporare la possibilità di giocare a un teenager le cui solo poteri devono essere intelligenti, sensibili e schiacciati - degna - garantisce che Sam colpisca tutte quelle note. Ma è Miller, quindi agghiacciante di Tilda Swinton in "Dobbiamo parlare di Kevin, á ç chi dà la minuta che consuma le conversazionzioni teenager alcune golt di elettricità di energia elettrica. Migliora con ogni ruolo. Betsy.Sharkey@latimes.com? - I vantaggi di essere una valutazione MPaa wallflower: PG-13 per materiale tematico maturo, uso di farmaci e alcolici, contenuti sessuali compresi i riferimenti e un combattimento á ç "Tutto coinvolgendo il tempo del teensRunning: 1 ora, 42 minuti: ad ArcLight, Hollywood; The Landmark Theatre, West Angeles
