The first GTA GTA game was released in 1997 and since then, he did a long way. The fifth main installment was released in 2013, but it is still so popular as always. GTA 5 is an adventure game packed with action that takes you to the city of Los Santos. If you ask people on the street if they know GTA 5, there are a high probability that they know it! That is how popular is that this game is seeing how it is the second most sold video game of all time. He sold 135 million copies and got \$ 6 billion in sales. So whether you are just a first-time player or a fan of the series looking for more information on this iconic game, you're in the right place! The last episode when you talk about action and adventure actions, there is a lot of discussion about what is the biggest. But you can't talk about that argument without bringing to GTA 5. This game was one of the best there even with all new versions today. At the time of its release, it has passed the graphics globally for a long time. No other game could approach the success that this has been realized. Why would it be? After all, it has one of the best graphics, drawings of characters, missions and many other functionality. If you compare it with most world games open today, you wouldn't believe that GTA 5 was created 8 years ago. Rockstar certainly knows how to create games that would make a lasting impact for years and decades to come. There are even talks about GTA 6 a few years now! But until then, we will talk about the greatness of this first. Top 10 GTA 5 Features GTA 5 introduced a lot of cutting-edge technology that we see in today's games. As such, it is such a waste of not much! This then leads us to the 10 best features of this game. A huge map Å º Å º -"The fictitious city of Los Santos is based on Los Angeles. This is not surprising for the most part as a look at the game and you can say that it is carefully based on the city. From the iconic vinehood sign that imitates the sign of Hollywood at the Al Roads and beaches, there are tons to explore. And since the city is based on Los Angeles, so that you can't explore everything in just one game day. You need other characters just to get to some places. A great amount of missions Å º Å º -" as always, the missions are what you will be in the game. These are the things you need to complete to progress history. In GTA 5, there are many missions all in everything. In every mission, You have the task of doing certain things. There are missions that involve rescue people, driving cars, escape from gangster, assassinating people, fighting with enemies, heists and more. Each of the missions is unique and adrenaline, falling that failure Completion of them will make you some problem. 3 playable characters - in most games, usually there is only a protagonist. But GTA 5 has managed to do the impossible by adding 3 protagonists as playable characters! Each of them It has races, works and different backgrounds. The first is Michael de Santa who is a retired thief who hit an agreement with the FBI that allowed him to him and his family to move to Los Santos. next Å º -" Franklin Clinton that Vora as a repository. Finally, a former military pilot and a bank in the bank, the crazy group is Trevor Philips. Michael's friend who made friends with Franklin. Together, 3 will participate in dangerous missions and heists all for the whole game. Because there are 3 characters you can play, there are several terminations you can get for each of them. This will all depend on the interactions and how to perform missions throughout the game. Radio stations with Stella Studs - Another interesting aspect of the game is the numerous radio stations. They are interesting as they are not just a casual music put together. There are songs actually licensed by popular artists like a \$ up Rocky, Pam Grier, Outkast, N.W.A, Loggini Komny and more. Imaginative vehicles Å º Å º -"GTA 5 presents hundreds of vehicles you can use. There are many options from different categories such as sports cars, muscle cars, super, sports classics, sedans, SUVs, compact, coupé, motorcycles, off-road, open wheel, vans, utility, industrial, service, commercial, emergency, military, boats, planes and helicopters. In each of these categories, there are several vehicles that you can choose to use. Of course, you can always buy them but fun starts when them Hiring from people. A lot of mini games is Å º Å º -"even as a game, GTA 5 boasts a lot of mini games that you can do within it. These are designed to remove the mind from the main missions or wind whenever you want. In a big game as GTA 5, there are a variety of things you can do here like playing golf, tennis, parachute with city views, do yoga, or just take a ride around the city. But if you're truly bold, you can simply commit a crime - if you're not afraid to get a desired state. GTA V Online Å º Å º -"GTA 5 also has GTA 5 online that is the multiplayer mode. Here, many people can interact with each other in real time to make missions and other activities. Can act as a simulation game in It is possible to explore different places, talk to different people and go to adventures together. High quality graphics Å º Å º -"even when it was released some time ago, GTA 5 still has one of the most long graphics ever. It thanks to this fact that can compete with modern games like CyberPunk 2077, Red Dead Redemption and many others. Exciting and fluid gameplay Å º Å º -"Overall, GTA 5 gameplay has become more fluid than ever. It came far away from GTA IV and from the first GTA games. This game has some RAD shooting mechanics, gameplay of modern driving and only overall realistic gaming experience. Hunt Å º Å º -"What more surprising thing is that you can hunting here! There are tons of animals that you can hunt and places to explore! Indulge in a completely different aspect of the game and have fun having fun hunting. Even when this game was released 8 years ago, it's still played for the first time by many people. Because of this, we although it would be useful to give some suggestions. Join the stock market Å º Å º -"Just like in real life, you can buy and sell stocks in GTA 5. There are two exchanges here that is LCN and Bawsaq. You can invest money here and potentially become richer if you have just seen The news and advice of other people. Above all, continue to invest and analyze the graphs. Flee the police - when you play GTA 5, there will always be an instance to lift your desired level with 1 or 5 star. Since it is. It is involved with the police it is inevitable, you should learn how to escape their sight line. The best way to do so is going out of the way whenever possible. Or, you can go on foot and lose the police through fences and houses. Use yours. Special skills Å º Å º -"In GTA 5, there are special abilities for each of the characters. Use them to get more expertise. Above all, try using them in difficult scenarios as much as possible. possible.
