## All sherlock holmes stories in chronological order

Sherlock holmes list of stories in chronological order. What were the 4 most popular sherlock holmes stories.

How much better to read the various stories of Sherlock Holmes? The most obvious answer to that question is: the order in which they were written and published, starting from a study in Scarlet. However, Sir Arthur Conan Doyle, the first literary agent for Dr. John H. Watson, did not publish his stories in a strict chronological order, with many stories mainly told as flashbacks. Therefore, for the reader, be back to these wonderful stories or looking to read them all again, I will present the following option. Following this list, the reader is able to see for themselves the mature gentlemen who reflect on an adventure life. Generally I follow the events arranged by the Great Sherlockian Editors William S. Baring-Gould in the Sherlock Holmes (2005-6), which are themselves the products of personal research and consent of other scholars Sherlockian. These individuals have often followed but the vaguest of clues in the stories themselves to reach their conclusions. Dr Watson, from time to time, to be even from a year or more (a key example of this can be found in a scandal in Bohemia, which signals he had corrected on March 20, 1888). At the risk of being accused of vanity, in the list this literary agent interrupts the times for those stories that I was so lucky to undo and publish. DATE IMPORTANT 1852: John Hamish Watson Born 1854: Sherlock Holmes was born before 221b Baker Street (1874 †"1880) 12 July - 22 September 1874: The ‫ Gloria Scottâ€TM (from TMSH). Telled Watson on 18 February 188 April at 4-22 April 1875: the Lost Legion (from TTI!). Telled Watson on December 1894. 28 December 1894. 28 December 1895: the Musgrave ritual (from TMSH). Telled to Watson c. February 1888. 27 July - "4 December 1880: the island of the devils a suite at Baker Street (1881 â 🕆 1889) 4-7 March, 1881: a study in Scarlet 25 August 1881: the adventure of the double-cut chassis (from FMFL) 6 April 1883: the adventure of the spotted band (from Tash83) The adventure of the discovery of dawn (from FMFL) 18-19 June 1887: The man with the twisted lip (from Tash) 19-21 June, 1887: Lo stesso Watson tries deliberately di oscurare la data: "Era, allora, in un anno, e anche in un decennio, che sarà senza nome, che un martedì pomeriggio in autunno abbiamo trovato due visitatori...". Baring-Gould lo pone il 12 – 15 ottobre 1886 sotto l'ipotesi molto ragionevole che should aver avuto luogo during an anno in cui gli uffici del Primo Minister and del Segretario degli Esteri erano tenuti da due uomini diversi.
