## Hard brain teasers riddles with answers for adults

It is easier for children to develop imagination, awareness and diligence, short-term memory, creativity and critical thinking skills with funny image brain teaser. Adults are used to solve puzzles in books, magazines and mobile applications. The best thing about this is even if you are solving brain tea to relax, improve your memory, and make your brain sharp and active. Are you ready to challenge your skills and solve a couple of puzzles? We have something cool for you. You can start the game Logiclike Brain Teaser right now, or scroll down to see some examples of puzzles! A game my father taught me when I was young was chess. It was a great way to have fun with my father while also sharpening my mind. The puzzles are also good. But questions of brain teaser work in many of the same ways. I am a great way to stay mentally sharp and challenge. Share these with your kids and you'll have fun while also a brain workout. Questions: 1. 84% of people reading this will not find error in this A,B,C,D,E,F,G,H,J,K,L,M,N,O,P,Q,R,S,T,U,V,W,X,Y,Z. 2. How can you throw a ball as hard as you can and get it back to you, even if something does not bounce? There's nothing to attack, and no one else catches or bounces. 3. What happens once in every minute, twice at all times, but never in a thousand years? 4. What is full of holes, but still keeps the water? 5. What flies without wings? 6. Where to findwithout vehicles, treeless forests and cities without houses? 7. What are the two things you can't eat for dinner? 8. What does the word look like the same reverse and back? 9. What word of five letters becomes shorter when adding two letters to it? 10. A boy was rushed into the hospital's emergency room. The E.R. saw the boy and said, "I can't operate on this guy. He is my son." But the doctor wasn't the boy's father. How could that be? 11. What can you keep, but you can't share and once you share it, can't you hold it? 12. Go home and go to your right. Reach a corner and turn left. Reach another corner and turn left again. Reach another corner and turn left again and return home. When you get there, there's a person with a mask waiting for you. What's going on? 13. A man was out for a walk when he started raining. The man had no umbrella and did not wear a hat. Her clothes were softened, but not a single hair on her head got wet. How can that happen? 14. Sam's mother had four children in everything. The first was called May. The second and third were called June and July respectively. What was the name of the fourth child? 15. The more it dries, the more wet. What? 16. Why can't a man living in the United States be buried in Canada? 17.
