See full disclosure for more information.July 27, 2019 by Kristin Imaginative play is one thing that every child needs to experience lots of. It helps cultivate growth, intelligence, creativity and honest fun. Antsy Pants creates great toys and items that help kids experience endless fun and limitless possibilities. One of our favorite summertime activities this year has been the Farmer's Market and felt foods from Antsy Pants. About Antsy Pants Antsy Pants, a brand with the mission of bringing back imaginative playtime with toys that encourage kids and families to create, imagine and build together, has announced its new spring and summer toys for 2019. Antsy Pants' new kites, jump ropes, stepping stones and colorful play covers continue to help families get active and imaginative, both indoors and outdoors. Antsy Pants' build-and-play sets are designed to engage children in imaginary play. Bringing families together to build and play. It is a group activity that everyone can join in the fun and enjoyment. Once your Farmer's Market is up, you can pretend with soft, playable felt foods. Little ones can spend some time in their little food stand and serve you up delicious foods like fresh fruits, hot dogs and even ice cream sandwiches. They are soft, plush and represent what real food would look like. They retail from \$6.99 – \$14.99 and are available online at Target Do you have some ideas for summer fun to help cultivate learning and play? Antsy Pants has you covered with great toys for kids of all ages. Connect with Antsy Pants on social media Facebook | Pinterest | Instagram Please follow and like us:
