## Town hall 7 defense base copy link

In this post, I will share the best TH7 base, And here I will also provide you a link by which you can easily copy the base are well built for defending your village from the opponent. Here I will share the best 28+ Town Hall 7 effective bases of COC. And guess what? Here I will also provide a link of every base by which you can easily copy these bases by iust clicking on the link given below every base. But remember to clear all the buses, trees, stone, etc. before you click on a link, and also your town hall 7 supercell id should be logged in your COC app So now let's take a look on bases Best TH7 base. Best Town Hall 7 base anti-ground troop. These bases are specially built to defend against ground attack strategy. You can analyze the base and will find the amazing placement of traps, so that giant will bump up and after that your defense does the rest work. In these bases, all the defensive buildings such as archer tower, cannon, and other defensive buildings are well placed, so that opponent can't take these buildings in one shot. Click below to copy the base CLICK HERE Just click below to co below to copy the base CLICK HERE Just click below to copy the bas of TH7. While making these TH7 bases, I have putten my best of the best effort so that these bases can be built in the best possible manner. I'm not saying these bases best for anti-Everything: It's pretty easy to guess well you can see that for tackling ground troops I have placed walls in a different frame so that giant takes time to break the wall and in that time our defense can takeover the giant and other troops. and for tackling air attacks I have placed air defense in a good possible manner and also well-placed air bombs and tesla. These bases are built to tackle attack against the troops-: 1- Giant Wiz and Archer Attacking strategy. 2- loon Attacking strategy Just click below to copy the base CLICK HERE just click below to copy the base CLICK HERE just click below to copy the bas to copy the base CLICK HERE Just click below to copy the base.
