definition from wiktionary, the free dictionary jumps to navigation go to search also see: chitchat and chit chat from a reduplication of chats. compare the tettiglia, flim-flam, pitter-patter, etc. Pronunciation[edit] Noun[edit] chit-chat (countable and undeniable, plural chit-chats) light conversation; informal conversation, usually on trivial issues. 2020 December 2, andy byford speaks to paul clifton, "I like the great challenges...", in rail, page 50: he speaks quickly, clearly and with obvious enthusiasm. There's no time to waste the loot. Synonyms [edit] chinwag claver also see Thesaurus:chatter Translations[edit] Word[edit] chit-chat (third simple singular person present chit-chat, present chitchatting participle, simple past and chit-chatted participle) (intransitive) to talk about small things, to discuss little important issues. Translations[edit] see also [edit] the phrase "chit chat" means small talk or gossip of a group. means also having a small or short conversation with a friend. the term is used worldwide, especially among students. the phrase is also used by corporate employees to avoid extending the conversation. origin of "Chit Chat" the phrase "chit chat" is declared to have originated in the xiii century. is also a form of chat or chatter. the first recorded use of this phrase appears in the moral ley of samuel palmer published in 1710. That's it. "It's the habit of foolish people ... in their chat to be always biting people's reputation." Sir richard steel also said he oated it in the tatlur but with a hyphen like "chit-chat". However, both have the same meanings. examples in literatureexample #1a small chitchat by johnsly joseph ambling on the soil stained with pite, a zephyre from wild blue yonder appeared very slowly and very gently andMy back so very softly And hit by bit my feet began to swing As if a leaf said goodbye to its knot; "Shivering and andstiffened to death, for I would never see the earth again And all my materials," he whispered. Then a tone at the rhythm of a snail sounded: "You will have a new wealth in a safe place, where there is no appearance of oil that can obscure the core of your soul." The previous example speaks of the poet's situation during a rambling in the afternoon. It seems that it has come to this point that even the falling leaves are telling him that the earth is no longer the same. He's changing very fast and now he can see it differently. Then it is asked that, in fact, it would have a safe place for the new wealth that would not have been soiled. The phrase means small conversation, however, is beautiful preservation on the earth and natural beauty. Example #2Little Chi. Chatted by Safiyyah Manjra It's been four hours since the last time we talked, I have this inerable smile on my face that woke me up. His exams are starting on Tuesday, the mines are close at the end of that day. I missed... What else can I say? Bring joy with small topics. We discuss conspiracy theories, different physicists that exist. Or it existed today, as was Richard Feynman's 100th birthday. We also talk about quantum mechanics, the difference between physics and engineering. After these conversations of laughter and pleasure, I understood only after, that he is missing is the terrible ending. Poetry is a small conversation of classmates discussing different important and trivial things. She thinks her boyfriend discusses things every time she talks and remembers the last time she talked to her. Although they talk different things, the interesting point is that their chat chit has no end. Example #3Chit Chat at the beach MeteoGive me (...) Because I'm dying of... Your lips I am always running but it is not better to chase because this (...) frightens me to death Can you feel it? Why do I hear it now you're shaking? You know it'sMe. Me.I want to be the way you want it, so come on, calm down. You drive me crazy without... Chit chat, do you want it? You want to take me home tonight? Oh, it's a chat, so let me go back and break only to... The song indicates the intense desire of the singer. to speak with his beloved. He loves her and feels so intense that she is trembling sometimes and remembers the time she is about to have a chat with her. Here the phrase chit chat is also used as a metaphor for intimacy. Example #4Chit Chatted by Maria Davis"Chit chat!" Jack said quietly. "We like to chat!" Janet replied lightly! What is under Dad's hat?" Janet asked. "Why whisper?" Janet said. "Not too strong," Jack said. This bitch not only has a little chat but also talks about chatting when Jack says they love having a chat with which Janet responds. Next thing is the beginning of this chat. It also seems that here chat chit is gossip as they prefer to keep their voices down. Example of SentencesExample #1: "Beware of the chat, the owner of coffee shouted. He didn't like the waiters talking too much to customers." Example #2: "The two birds are sitting together as if they were involved in a conversation as a personal chit chat."Example #3: "Once they left the city, they traveled long in the desert on the barren land. It was zig zag road that goes to some distant hilly regions. They sat down for a while and have a long chat before leaving for their destination." Example #4: "I saw him come to me. When he approached, I sat next to him and looked at his face. It was the same, without expression and cold. I didn't dare chat with him." Example #5: "After a long day, Jesse and Fiona loved having a chin chat and talking about what they did the whole thing.chitchat, chit-chat, chit-chat, chit chat, gab, gabfest, gossip, tittle-tattle, cin-wag, cin wagging, wagging,causarienounlight informal conversation for social occasionschew the fat, shoot the breeze, chat, confabulate, confab, chitchat, chit-chat, chatter, chaffer, natter, gossip, jaw, claver, visitverbtalk socially without exchanging too much information" men were sitting in coffee and shooting the breeze" Speak of trivial issues. 'I can't stand around chit-chatting' 'The last thing this hotel will be is a wee B&B with a wee landlady that is forever chit-chatting at you.' 'I was happily floating around different groups all night, talking, chit-chatting, taking back with some old faces and taking stupid photos.' 'I see them out every morning together, chit-chatting.' 'I'm not just talking about critical reviews or in-depth profiles, I'm talking about people chatting at parties. "We played infinitely cool - idly chit-chatting, pretending it was just like us, or we like it, or something like that. "Step out and people are at chit-chatting on it everywhere. "You got to know people at that time - although I don't like chit-chatting too while working. "We chatted about a lot of different things, and none of it was really important. He often came out with the public during breaks and cyt-chatted. "The other half of the class chatted about time and waited for the inevitable rewriting announcement. "Even known as the son of a president, he focused on collecting money and keeping private chit-chats with political donors and supporters who would go to Austin for off-the-record talks. "I'm done chatting now, Tommy, so let's go to business." "I began to feel a bit faded with all the smiling, dancing and chatting, so I apologized by my small group of friends to get myself some edible delicacies from the buffet table. Until 10:00, Audrey and I had fun watching glasses, batteryflawless music, impeccable,"I can see all my classmates chatting with each other, but when I close the door, almost everyone stares at me or screams my name, and this includes Erick. Either way, he didn't feel like a chit-chatting with them. "Desiree, Cheska, and Tanz went back and forth between the kitchen and the back yard while chitchatting on thoughtless topics. After finishing the selection of newspapers and then the scarring while drinking their cold tea, they decided it was time for them to return. "Other colleagues and friends of his parents were dancing, eating, chit-chatting, or gambling. 'He stopped in, chat with the drivers, but not pressing the questions he wanted to ask.'chat, speak idly, chat, prattle, prattle, go ahead, run, rattle away, rattle on, gossip, tittle-tattle, tattle, ramble, gabble, jabber, babble, blather, blither, blither, tbr View synonyms A small cut or a gossip. This is just a reduplication of chat, which is in itself a form of a decrease in chatter, which has been with us as a noun and a verb since the 13th century. The two-way nature, chit-chat conversation is allude to the sound 'to and fro' of the term, as in zecca-tock and see-saw. It is recorded in two quotations separated from 1710. First, in Samuel Palmer's Moral essays on some of the most curious English proverbs, scotch and foreigners: "It is the custom of foolish people... in their chat to always be biting people's reputation behind their back. "Second, in a piece by Sir Richard Steele, in edition 197 of The Tatler: "If Ralph had Learning added to the city's Chit-Chat. "See other reduplicate phrases. Our apps are also beautiful! Dictionary.
